Information Systems graduate with 8+ years of independent production in audio and music. Mixed, balanced, and recorded audio using Digital Audio Workstation. Understand signal flow: preamp, channel strip, bus, and master output. Expanding from independent production into live sound and broadcast.

Experience

Audio Production

2018 – Present

Independent

- Set up and routed microphones for recording sessions, positioned mics for clean audio with minimal noise
- Combined vocal, instrument, and SFX recordings into tracks in Ableton Live, managed 50+ channel strips, arranged bus grouping and routing to master
- Mixed vocals and instruments; audio EQ, balancing, tuning, panning, compression, and other effects with third-party and stock plugins
- Directed recording sessions (online overseas), handled revisions/troubleshooting
- Practiced live sound setup at home and church; mic-ing and XLR cabling into a Mackie DL mixer (controlled via Master Fader app) at home, helped with live audio balancing and EQ during a church service

Full Stack Web Development Program

Sep 2024 – Feb 2025

Bootcamp at Purwadhika Digital Technology School

- Learned JavaScript, TypeScript, and web infrastructure
- Learned full-stack development with frameworks like React.js, Next.js, Express.js, and Git
- Built an event ticketing and an accommodation booking web app, integrating APIs including Midtrans payment gateway
- Communicated and collaborated with a team across the full build process, from database design, user flow, to the deploy process

Web Intern

May - July 2023

Kementrian Perindustrian Republik Indonesia

- Built a web app to integrate internal applications (podcast, meeting room scheduling, office archive) developed by intern students into a single platform
- Redesigned the application's interface for improved responsiveness, and fixed non-functional features

Assistant Lecturer (English Department)

Sep - Dec 2022

Universitas Advent Indonesia

- Graded homework, test, and assignments
- Printed exam papers and study material and prepared assigned subject materials

Communication Department

2019

GMAHK BSD

- Displayed slides using EasyWorship during services
- Communicated with the team and participants throughout the event
- Standby for live troubleshooting, kept mics from cutting out and the front display running smoothly throughout the service

Education

Universitas Advent Indonesia

June 2024

Information Systems, GPA: 3.7/4.0

Skills

Audio Production: mic-ing, audio recording, audio balancing, audio tuning, audio mixing, audio mastering

Digital Audio Workstation: Ableton Live

Soft Skills: Attention to Detail, Communication, Team Work
